Improving Quality in Healthcare: Translating Evidence into Practice

7 November 2012

John McIntyre Conference Centre, Edinburgh, EH16 5AY

Programme

8.45	Registration and Coffee	CENTRO
		PENTLAND EAST
9.15	Opening Address	Dr Lindsay Burley <i>Chair</i>
1		NHS Education for Scotland
9.25	Challenges of Knowledge Translation	Professor Jeremy Grimshaw Senior Scientist
		Clinical Epidemiology Programme Ottawa Hospital Research Institute
9.55	Impact of Implementation Science in Healthcare: an exploration	Professor Michel Wensing Professor of Implementation Science Radboud University Nijmegen Medical Centre The Netherlands
10.25	Keynote Speaker	Mr Michael Matheson MSP Minister for Public Health Scottish Government
10.35	Coffee and Posters	CENTRO and PENTLAND WEST

11.00 Parallel Session 1

PENTLAND EAST

Carole Torgerson (Chair)

Cochrane Systematic Reviews: High Quality Evidence Syntheses

Dr Martin Burton
Director
UK Cochrane Centre

Developing NICE Clinical Guidelines with an Eye on the Audience

Miss Nicole Elliott
Associate Director
NICE

Developing Guidance with Knowledge Translation in Mind

Dr Douglas Stirling *Programme Manager*

Scottish Dental Clinical Effectiveness Programme

11.00 Parallel Session 2

PRESTONFIELD

Craig Ramsay (Chair)

Researcher, Practitioner and Patient Partnership to Improve Care: the CLAHRCs

Professor Richard Baker
Professor in Quality Healthcare
University of Leicester

NICE Strategies to Support the Implementation of Guidelines

Ms Val Moore Implementation Director NICE

Getting Knowledge into Action for Healthcare Quality: National Strategic Review and Implementation in NHSScotland Dr Ann Wales
Programme Director for
Knowledge Management
NHS Education for Scotland

12.15 Lunch and Posters

CENTRO and PENTLAND WEST

13.15 Parallel Session 3

PRESTONFIELD

Jill Francis (Chair)

Implementation Research in Primary Care: What's so special about being so general?

Professor Robbie Foy Professor of Primary Care University of Leeds

Understanding and Improving KT Interventions: Behaviour change techniques

Professor Susan Michie Professor of Health Psychology University College London

Evaluating Infection Control Teams in Dental Primary Care: Translating 'can't' into 'can'

Professor Craig Ramsay Health Care Assessment Programme Director University of Aberdeen

13.15 Parallel Session 4 Pentland East Sandra Eldridge (Chair) Healthcare Improvement Scotland: A Knowledge Broker Organisation for NHSScotland Improvement Techniques and Antimicrobial Prescribing Improvement Techniques and Antimicrobial Prescribing Collaborative Research Across Health Systems: Some Examples of Implementation and Impact Coffee and Posters CENTRO and PENTLAND WEST Pentland West Tentral Delivery of Care Programme Director University of Aberdeen 14.30 Coffee and Posters CENTRO and PENTLAND WEST Professor Martin Eccles The William Leech Professor of Clinical Effectiveness Newcastle University 15.30 Question Time Professor Jeremy Grimshaw Professor Martin Eccles Professor Michel Wensing Professor Michel Wensing Professor Michel Wensing Professor Martin Eccles Professor Michel Wensing Professor Martin Eccles Professor Martin Eccles Professor Michel Wensing Professor Martin Eccles Professor Richard Baker 16.15 Closing Remarks & Professor Jan Clarkson Programme Director Scottish Dental Clinical Effectiveness Programme
